Items 7 and 140 of the provisional agenda*

Organization of work, adoption of the agenda and allocation of items: reports of the General Committee

Pattern of conferences

Letter dated 4 September 2018 from the Chair of the Committee on Conferences addressed to the President of the General Assembly

I am writing to you in relation to the provisions of paragraph 7 of section I of General Assembly resolution 40/243, according to which no subsidiary organ of the Assembly may meet at United Nations Headquarters during a regular session of the Assembly unless explicitly authorized by the Assembly. Subsidiary organs wishing to meet during a regular session of the Assembly must submit their requests through the Committee on Conferences.

I wish to inform you that the Committee on Conferences has received requests from the following entities to meet in New York during the main part of the seventy-third session of the General Assembly: the Committee on Relations with the Host Country; the Committee on the Exercise of the Inalienable Rights of the Palestinian People; the Executive Board of the United Nations Development Programme/United Nations Population Fund/United Nations Office for Project Services; the Board of Auditors; the Panel of External Auditors of the United Nations, the Specialized Agencies and the International Atomic Energy Agency; and the Independent Audit Advisory Committee.

The Committee on Conferences, having carefully considered those requests and the reasons for them, does not object, on the strict understanding that any such meetings would be allocated conference services on an "if available" basis, from within existing resources, in such a way as to ensure that the work of the General Assembly and its Main Committees is not impeded.

Accordingly, I should be grateful if the General Assembly would explicitly authorize the following entities to meet in accordance with their requests, subject to the conditions referred to in the foregoing paragraph: the Committee on Relations with the Host Country; the Committee on the Exercise of the Inalienable Rights of the Palestinian People; the Executive Board of the United Nations Development Programme/United Nations Population Fund/United Nations Office for Project Services; the Board of Auditors; the Panel of External Auditors of the United Nations,
